Good afternoon,

I just wanted to follow up on this request. I drove by there this morning and it appears the encampment is still there, is it possible to expedite this request given that the debris is just growing? Thanks, as always.

Good afternoon,

After driving past yesterday, a new encampment at Sunland park now exists. This one now has a canopy and other makeshift structures per attached. Can you please address this and have this removed? I'm scared this will perpetuate the homeless problem and jeopardize the safety of residents. My 311 and LA HOP requests are below. Thanks.
